

UUP Leave Without Pay Membership Application

Are you going on employer approved leave without pay?

Please note that your UUP membership is based on payment of union dues. The following information lets you know how to maintain your membership with UUP and why it is very important to do so.

Maintaining membership assures continuation of all UUP membership rights and benefits and access to NYSUT, AFT and NEA member-purchased benefits. Keep in mind that to become a UUP retired member, you must have five years of continuous membership, or continuous membership for the length of your employment, prior to retirement, whichever is less.

Please note that these dues are **not** payments to continue your health, prescription drug plans, dental, or vision care benefits.

UUP membership dues for those on employer-approved leave without pay are currently \$47 for one year. **Shorter periods may be prorated.**

If you are going on employer approved leave without pay, you may continue your membership by mailing the completed application below, along with a \$47 check payable to **UUP Membership Dues.**

UUP Mailing Address: **United University Professions
