

Happy Wednesday everyone!

I hope that you are all well and that this week has been treating you well. I just wanted to give a reminder that I am here for you. Please let me know if you have any questions or concerns about your new work environment, UUP Benefits, or anything else you may need assistance with. I can be reached at oneuup@oneonta.edu or via a voicemail at 436-2135.

Please take a moment each day to relax and refocus your energies, these are stressful times for us all and it's important to take a breaks and center yourself as often as needed. If you have furry co-workers I'm sure they will be happy to take a break with you, just like my pups Mac & Chia pictured below .

Stay well!

Attention Adjuncts

Hello!

We – your union – wanted to reach out to our Adjunct Faculty colleagues and see how you are doing with the College's sudden mid-semester shift to remote teaching.

Hopefully its going well and you are getting the information and support, technological and otherwise, that you need.

If you are having difficulties, know that your Department Chairs should be your go-to-people for help and information.

Please let us know if you are NOT getting the assistance and guidance you need, what difficulties you're facing, as well as what actions you've taken to seek help that aren't bearing fruit. That last part is important, because it helps us better understand where the holes are in current College practices.

All responses should be directed to our Chapter Assistant, Kerry, at oneup@oneonta.edu, oneonta@uupmail.org or via voicemail at 436-2135.

Stay healthy, friends -

Hello everyone,

In the days ahead I will be updating our <https://suny.oneonta.edu/eap> website with resources for you and your loved ones.

Please look at the section "EAP is Here to Help," I'll be adding to this list often. From making connections while distanced, to local food options, you'll find a variety that I hope may be helpful.

welcome your suggestions as to needs and services that you are looking for; most likely, others are seeking the same things. ☒

Thank you for everything you do; it's an honor to be a part of such a caring community. Please email me at karen.munson@oneonta.edu if I may (confidentially) serve you and your loved ones.

It is no surprise that Red Dragons have come together to respond to the COVID-19 pandemic. I am heartened by the spirit of caring, and by the deep commitment faculty, staff, and alumni have shown to our mission and our students. Many of our fellow alumni are on the front lines battling this unprecedented public health crisis. And, all of us are supporting those efforts so that we can get through this and we will, together.

Right now I am feeling the same things I know so many of you are... anxiety and uncertainty. But good information is a soothing and powerful tonic. For more information about how SUNY Oneonta is responding to COVID-19, please go to the College's Coronavirus Information webpage.

On behalf of the SUNY Oneonta Alumni Association, please accept our caring thoughts during this challenging time. We wish you and your family good health, now and in the weeks to come.
