Re: Magee Visit

On Thursday, October 29, 1992 the SUCO Young Democrats will sponsor a lecture by Assemblyman William Magee at 7:30 P. M. on the SUCO Campus in IRC 9. The general public is most cordially invited to attend Assemblyman Magee's talk on New York State Government, with special emphasis on concerns facing SUCO and Otsego County. A question-and-answer session will follow Assemblyman Magee's formal remarks.

Assemblyman Magee has been a member of the Assembly Higher Education Committee. In those committee meetings and those of the Assembly Democratic Conference and throughout his work as a legislator, Mr. Magee has been an articulate and effective spokesperson for SUNY and specifically for this campus. Because of his activities on behalf of SUNY as well as his support for other Education and Labor issues, NYSUT and the New York State AFL-CIO have endorsed his candidacy for reelection.

I urge you to attend Assemblyman Magee's talk this Thursday.
